Change the form with request features

The image shows a contact form titled "Enquire Now". It contains several input fields: "Name:", "Email:", "Mobile:" (with a "+966" prefix), "Living Country:" (set to "Saudi Arabia"), and "Nationality:". Below these is a "Tour Details" section with a dropdown for "Destination:" (set to "Select Tour Country"), "Arrival Date:" and "Departure Date:" (with calendar icons), and "No of Travellers:" (with "Adults" and "Children" buttons). At the bottom is an "Other Details" section with a checkbox "I'm not a robot" and a CAPTCHA logo. A green button at the very bottom says "GET A QUOTE IN 5MIN".
